Eight candidates for the coveted crown of "Miss Marshall" will clash today in the Homecoming elections in the basement of the Student Union.

Along with the "Miss Marshall" candidates are twenty-four girls running for the title of Class Queens.

The polls will remain open until 5 p.m.

Each student will be able to vote for "Miss Marshall" and a girl from his respective class for class queen. In order to vote

a person must have his I.D., and Student activity card with him.

Voting will be done again this year on four voting machines. For students who don't know how to use a voting machine, there will be some miniature machines on hand.

The girl chosen as "Miss Marshall" will receive a \$100 scholarship by the Huntington Merchants Association, according to John Anderson, President. This \$100 scholarship is one of the ways in which the association is recognizing and supporting the Homecoming activities.

The winners of the election will be announced in THE PARTHENON Friday, and crowning ceremonies will be at the Homecoming dance, Saturday evening after the game with Ohio University.

"Miss Marshall" and her attendants will ride in the parade, and at the game they will ride in the Queens Float, built this year by the Sigma Phi Epsilon fraternity, the winner of last year's house decorations.

Homecoming Officially Begins Friday

By SUE CAMPBELL
Staff Reporter

Homecoming officially begins with the judging of house decorations 7:30 p.m. Friday and the spirit and enthusiasm of the weekend are rapidly gaining momentum.

Any visiting alumni need not be bored or lack something to do with the many activities scheduled for them. Saturday morning from 9 to 11 a.m. there will be guided tours of the camp-

us to familiarize alums with the new buildings, projects now in progress, future projects, and general improvements at Marshall.

The first major event of the weekend, the parade, begins at noon Saturday at the college entrance on Fourth Avenue. Miss Marshall and her procession of floats, bands, ROTC units, and dignitaries will proceed down Fourth Avenue to Eighth Street, turn south on Eighth Street to

Tenth Avenue, from Tenth Avenue to Twelfth Street, to Charleston Avenue, and then to Fairfield Stadium. During the parade the floats will be reviewed and judged.

The Homecoming game with Ohio University begins at 2 p.m. During half-time ceremonies, Miss Marshall and her attendants will be presented and the floats will be reviewed and judged for the last time. There will be an exhibition by the Pershing

Rifles and the band.

Immediately following the game, fraternities, sororities and independent organizations will have open house, buffet dinners, banquets, teas and receptions for their respective alumni. From 5 p.m. to 7 p.m. there will be a party for all Marshall alumni at Hotel Frederick.

The grand finale of 1959 Homecoming is the dance, featuring

Buddy Morrow and his orchestra, at the Field House from 9 p.m. until 1 a.m. At intermission, winning house decorations and floats will be announced and trophies presented to first and second place winners.

Miss Marshall for 1959 will be officially crowned by the president of the Student Body. Thus ends Homecoming for another year.

Admiring the attendant's trophy are Steve Bias, Huntington senior, chairman of the alumni tour; Jeanne Pitts, Huntington junior, chairman of trophies and judges; Rich Nedrow, Weirton junior, homecoming co-ordinator. Second row, admiring the trophy which will be presented to the fraternity building the queen's float, are Dave Haden, Huntington junior, chairman of the dance tickets; Bruce Moss, St. Albans senior, parade marshal.

Speech Correction Majors, Faculty Due At Convention

A delegation composed of faculty members and speech correction majors will represent Marshall College at the forthcoming American Speech and Hearing Association National Convention to be held in Cleveland, Nov. 11-14.

The delegation will be headed by Mrs. Ruth Garrett, assistant professor of speech, and Mr. Andrew Paesani, speech correction instructor. In addition to Mrs. Garrett and Mr. Paesani, six students are: Charles Ralston, Weirton junior; Bill Kessinger, Huntington junior; Frances Steele, Huntington senior; Mary Ellen Carter, Point Pleasant senior; Marietta Meadows, St. Albans senior and James Mosko, Kimbal junior.

The group will leave the campus at 9 a. m. on Nov. 10. Cleveland's Statler-Hilton Hotel will serve as headquarters for this year's convention.

Papers, lectures and speeches covering a total of 64 areas of scientific and professional speech study will be presented during various sessions of the convention.

Marshall students are attending the annual convention for the first time this year because previously no major in speech correction was offered. But now convention attendance will help to better acquaint the speech correction student with his chosen profession.

The entire delegation will attend a discussion entitled "Stuttering: An Inquiry on Therapy and Therapeutic Approaches." This discussion will be conducted by such people as Oliver Bloodstein of Brooklyn College, Joseph Sheehan of The University of California and Wendell Johnson of Iowa State University.

Students will attend other sessions of the convention both as a group and individually. In the future, it is hoped that speech correction majors will be able to attend the ASHA National Convention every year.

Due to various activities scheduled for Homecoming, there will be no planned activities in the Student Union this weekend.

PiKA Fraternity Protests Float Decision

Two of the floats in the Homecoming parade will center around a boat theme. The floats will be the entries of Pi Kappa Alpha and Sigma Alpha Epsilon fraternities.

Some controversy surrounded the two floats last week when PiKA protested the decision by

Bruce Moss, St. Albans senior and parade marshal, to allow the SAE's to go ahead with plans to build their boat float.

In a letter of protest, Myers Jarrell, Whitesville junior and PiKA float director, said that the SAE float plans were similar to those of PiKA, and therefore

should be ruled out according to the float rules. PiKA had drawn last position in the parade, and according to the rules, their float idea had priority over all others.

Jarrell also charged in his protest that the float rules had been violated a second time when some float-building organizations failed to submit alternate float ideas with their original plans.

According to Moss, all organizations submitted alternate plans.

The PiKA letter of protest was submitted to the Student Senate.

Last Wednesday, Jarrell and Moss appeared before the Senate to present their views.

Moss said that he and members of the Homecoming Commission had decided that the SAE and PiKA float plans were not similar enough to require SAE to change its float plans. Besides, he added, it was too near Homecoming for a change in plans.

After a discussion, the Senate decided that Jarrell and the PiKA's had a point in their protest, but that it was too late to do anything about it.

Students Can Find Solutions To Various Problems In Clinic

By **BECKY THOMPSON**
Staff Reporter

If your problem ranges from dropping a single course to deciding whether or not to continue college, then the psychology clinic is the place to go. The clinic is open to all students for consultation of scholastic, vocational, social, and personal problems. Any student wishing to go to the clinic at any time for personal reasons is welcome to do so, or they may be referred by a member of the faculty or administrative personnel.

During the 1958-1959 school term, 250 different students came to the clinic to be tested. A series of five tests were administered to each. These tests were those of scholastic, personality, vocational, achievement, and intelligence. The average time spent with the individual student was five and one-half hours.

Of the entire 1,400 hours spent in the clinic last year, 900 hours were spent in testing, 300 in counseling, 100 hours in the initial interview and 100 hours were spent in the terminal interview. There are 175 different tests available to be given in the four testing and conference rooms.

The psychology department was organized in 1923 and counseling services became available to the

student in 1930. The clinic was opened in 1938 and in 1947 the first faculty member was designated specifically to the clinic. This was Dr. Madeline Eile who remained with the clinic until 1957.

In September, 1957, Dr. Alex Darbes, who at present heads the clinic, came to Marshall. He is also associate professor of psychology, teaching half time and devoting the remainder to the clinic.

Dr. Kenneth Loemker, chairman of the psychology department is active in the clinic as is Mrs. Olive Mortison, secretary to the department and psychometrist. Dr. Mary Lyon Sutton, assistant professor, also devotes part time.

Psychology graduate students are utilized to do testing in the clinic under supervision as part of their practicum for their clinical psychology.

LETTERS TO EDITOR

Dear Editor:

Today's Marshall College student often fails to realize the true essence of Homecoming. It embodies a great deal more than attendance at the biggest dance of the year or building a champion float.

Marshall College is in vital need of support from her alumni if she is to compete with the nation's other educational centers. The responsibility for the revitalization of this support rests with each and every "Son of Marshall." We must realize that this period of the year is our biggest chance to show Marshall College at her very best.

If one student is maintaining an apathetic feeling toward the events that are held in honor of our alumni, he is seriously jeopardizing the future of our alma mater. It behooves each and every one of us to place ourselves wholeheartedly into the job of making our alumni welcome and giving them a tremendous parade and football game. It is imperative that we attend *their* dance and make it the most joyous occasion they have experienced since their own college days.

In participating to such an extent we will assure ourselves of a wonderful weekend, and we will assure Marshall of a large interested alumni who will work for the college's well being and strive to keep it always moving forward.

Big Green Bows To Louisville, 48-6

Shortage Of Reserves, Fumbles, Prove Costly

By RON HUTCHISON
Sports Editor

Marshall's Big Green again suffered from its old malady, manpower shortage. Overpowered by Louisville 48-6, the Big Green could not cope with the varied attack of the Cardinals.

Using a devastating ground offense supplemented by a slick aerial barrage, the Cardinals, picked up their sixth win.

As has been the case in the last three Marshall games, the Big Green team again ran out of gas after holding its own for the first quarter. The Big Green, either by fumbles or other mistakes gave the ball to the Cardinals five times in the first half. The mistakes, plus superior manpower gave Louisville a 27-6 halftime lead.

Freshmen Bow To OU Squad By 34-0 Score

Marshall's freshman football team bowed before a strong Ohio University frosh squad Friday afternoon at Fairfield Stadium when the visiting Bobkittens rolled to a 34-0 victory.

The MC yearlings, under the guidance of Coach Olen Jones, suffered their second defeat in as many games.

Marshall's only threat came after the opening kickoff when the Little Green took the ball on their own 35-yard line and marched to OU's 20 before losing the ball on downs.

On defense, the Little Green held OU scoreless in the first quarter, but the Bobkittens struck paydirt early in the second period when fullback Bob Ruhl rambled for 39 yards.

OU added another touchdown in the second quarter, tallied one in the third, and cashed in twice during the fourth quarter for the victory.

The Little Green racked up only three first downs during the game, picking up 61 yards rushing and 21 yards passing. They were penalized 10 yards.

On the other hand, Ohio University picked up 15 first downs.

Marshall's next game will be against the freshman squad from Xavier University. The game will be played Friday at Fairfield Stadium, beginning at 3 p. m.

Sports Publicity Panel Topic

Members of Marshall College's Athletic Department last Thursday participated in a panel discussion on "Publicity and Public Relations in Physical Education and Athletics" in connection with the West Virginia Education Association meeting here.

The discussion followed a luncheon in the college cafeteria at noon Thursday. Jule Rivlin, head basketball coach and physical education director, acted as moderator of the program, while Dr. Mike Josephs directed the discussion.

Marshall's only scoring drive of the day featured the running and passing of Jim Maddox. The scoring drive began on the 35-yard line and five plays later the Big Green had its only score of the game. In the drive Maddox completed two passes; one to Malcolm Price for nine yards and the other to Bill Nardo for a 38 yard gain. Maddox then using his pet play, the keeper, ran the final 15 yards after evading three tacklers. The PAT attempt was not good.

Maddox in completing five of 13 tosses, gained 70 yards through the air. Marshall's total yardage gained was 170.

Fumbles played a major role in the defeat, according to Coach Charlie Snyder. He pointed out that fumbles resulted in two touchdowns and that poor pass coverage gave the Cards two others. Coach Snyder said, "Fumbles, breaks and penalties hurt us quite a bit. You can't win a ball game if you give the other team the ball five times without kicking once. Our boys played much better football than the score indicated. He singled out Dave Stull, Jim O'Conner and Jim Maddox as giving standout performances for the Big Green. Coach Snyder added, "We were more aggressive in this game than others that we have played, but the breaks, plus our own mistakes, went against us."

Looking ahead to Saturday's game with Ohio University, Coach Snyder commented that the Bobcats have very good depth and that "their personnel is about the best in the conference." He added, "They have two good teams and we'll have to play good ball to beat them." Ohio U. defeated Western Michigan 12-8 last weekend and is now ranked second in the MAC.

The Homecoming game will be Marshall's last home appearance of the season and also its last conference game of the year.

HERBERT TO SPEAK

Hal Herbert, representative from Physicians, Dentists and Hospital Bureau, will speak about "Medical Economics" at 11 a.m. tomorrow in Room 211 in the Science Hall. The program will be for pre-professional students in the medical, dental and connecting fields.

Athlete To Fill Union Post

Bill Gillespie, Belfry, Ky., senior, has been appointed as new assistant manager of the Student Union replacing Phil Fisher.

Gillespie, a Teacher's College student majoring in physical edu-

cation and biological science, will assist Union manager Don Morris in organizing new activities for students.

A four year service veteran, Gillespie will take over the Union post Monday, Nov. 9. A participant in varsity athletics, a guard on the Big Green grid squad and a letter winner in varsity wrestling competition, Gillespie plans to continue work on his Masters Degree after his graduation next spring.

BILL GILLESPIE
... New Union Assistant

An intramural meeting for managers of teams which will compete in this winter's athletic program has been scheduled for 3 p. m. today in the office of Otto "Swede" Gullickson, intramural director.

The winter program will include such sports as basketball, chess, handball, bridge, cribbage, bowling, table tennis, wrestling, weight lifting, darts, archery, billiards and pocket billiards.

Other sports which are almost complete include horseshoe doubles and forward passing for accuracy.

William Daniels, Independent, and Carl Hickey, Pi Kappa Alpha, captured place kicking and drop kicking for accuracy championships last week in intramural action.

Daniels racked up 41 points to nip four other contestants who scored 40 markers.

In the drop kicking contest, Hickey scored 36 points to edge McNeillis who tallied 35 markers.

In cageball action last week, Sigma Alpha Epsilon No. 1 defeated the ROTC, 11-7, while Lambda Chi Alpha dropped a 19-3 decision to PKA No. 1. Other games saw Sig-Ep No. 1 win 5-2 over Tau Kappa Alpha, and Sig-Ep No. 2 grab a 6-4 win over PKA No. 2.

In four football playoff games last week, Sig-Ep No. 2 romped to a 20-8 victory over SAE No. 1, the Red Devils captured a victory on first downs over the Tekes after a scoreless tie, the Vet No. 1 team rolled past SAE No. 2, 27-7, and Guyandotte Tech downed the Blue Angels, 20-6.

The Sig-Eps 20-8 victory over SAE No. 1 came when Mike James displayed his passing and running talent, tossing two touchdowns and later scoring on a run.

SAE forged into the lead when it scored a safety to go ahead, 6-0. Its other score came when Jerry May tossed to Bill Prophet for a touchdown.

A 20-yard pass from James to Gary Underwood resulted in the Sig-Eps' first touchdown. James ran two yards for the extra point. James and Underwood teamed up for the Sig-Eps' second TD.

The Red Devils triumphed over Teke No. 2 as the result of gaining more first downs during the game. The tussle ended in a 0-0 tie.

Scoring four touchdowns, the Vets No. 1 team racked up a 27-7 victory over SAE No. 2 behind the sharp passing eye of Jack Trainor. Trainor hurled three touchdown passes and ran for another.

The Vets' initial tally came when Trainor tossed to Ed Lambert for 55 yards. Adding the extra point, Trainor passed to Bobby Nelson. On the second touchdown, Trainor again hurled a pass to Lambert, this one good for 50 yards. The Vets added an extra point when Trainor tossed to Tom Kingery.
